
TOPOLOGY PROCEEDINGS

Topology Proceedings will be publishing the proceedings of the **28th Summer Conference on Topology and Its Applications**, held **July 23-26, 2013**, at **Nipissing University, North Bay, Ontario, Canada** .

We cordially invite you to **submit a paper** for this proceedings. Deadline for submissions is

December 15, 2013.

All papers are refereed. To be accepted, a paper must be an original and important contribution to the literature. The topic need not be the same as your conference talk.

You may send your papers to:

Topology Proceedings
Nipissing University
100 College Drive, P.O. Box. 5002
North Bay, Ontario, P1B 8L7
CANADA

Email: topproc@nipissingu.ca

Please send an electronic copy of your paper. See our website <http://topology.auburn.edu/tp> for further information.

For ease of processing, we have on our website a sample paper in our LaTeX format. We would appreciate it if you could follow that format if at all possible.

Some especially important guidelines are:

- If at all possible, submit papers by email in LaTeX using our format.
- Make sure there are no TeX errors. Please label you files using your last name (or the last name of the first author).
