2020/2022 Price List

Topology Proceedings publishes two numbered volumes each year: the October publication corresponds to the proceedings of the annual **Spring Topology Conference** of the previous year, the April publication to the annual **Summer Topology Conference** of the same year as the spring volume. **Volume date is publication date** (Volume 56 (2020) is for conference of spring 2019; Volume 57 (2021) is for summer 2019). Annual subscription is for TWO volumes. (Address inquiries concerning older volumes than those represented here to Beth at topolog@auburn.edu.)
