ISSN 2331-1290 (Online)

## 2025/2026 Price List

**Topology Proceedings publishes two numbered volumes each year:** the October publication corresponds to the proceedings of the annual **Spring Topology Conference** of the previous year, the May publication to the annual **Summer Topology Conference** of the same year as the spring volume. **Volume date is publication date** (Volume 64 (2024) is for conference of spring 2023; Volume 65 (2025) is for summer 2023). Annual subscription is for TWO volumes. (Address inquiries concerning older volumes to Beth at [topolog@auburn.edu](mailto:topolog@auburn.edu).)

We have no microfilms, book reviews, or advertising.

**\*\* Volumes returned twice will be charged an additional \$25 for postage. (Almost all international mail must be sent first class and most countries' postage cost is \$22+. This price is incurred twice when having to re-send a returned journal; a third re-mailing makes mail costs prohibitively expensive and must be passed on.)**
